

**UNITED STATES COURT OF APPEALS
FOR THE SECOND CIRCUIT**

ORDER

The United States Court of Appeals for the Second Circuit continues to adapt its rules and procedures to ease the burdens on the bar and pro se litigants who practice before the Court during the continuing disruption cause by the COVID-19 pandemic. Accordingly,

IT IS HEREBY ORDERED that the provisions of the Federal Rules of Appellate Procedure and the Court's Local Rules that require the filing of paper copies of briefs, appendices and documents that exceed 50 pages in length are suspended pending further order of the Court.

Notwithstanding this suspension, (1) a paper copy of a document must continue to be served upon a pro se litigant or a party who is not a Filing User as the term is defined in L.R. 25.1(a)(1)(D), and (2) the Clerk of Court may request that a party provide paper copies in specific cases.
