* In situations where the associate is a full time employee of the CJA panel member’s firm, application can be made to the presiding judicial officer through the Case Budgeting Attorney (CBA) for a rate of \$110 per hour. The additional funds are intended to help defray the costs associated with maintaining said associate such as room rent and telephone.

** In situations where the paralegal is a full time employee of the CJA panel member’s firm, application can be made to the presiding judicial officer through the Case Budgeting Attorney (CBA) for a rate of \$65 per hour. The additional \$15 per hour is intended to help defray the costs associated with maintaining said employee, such as room rent and telephone.

*** There are almost an infinite number of expert service providers with an equal variety of rates. For this reason, this list is not intended to be all inclusive. The intention is to keep the mental health providers, pathologists,

serologists and other expert provider's rates at or below \$350 per hour whenever possible. If you are quoted a higher rate by a service provider, counsel are encouraged to attempt to negotiate a lower **CJA** rate. In instances where the provider has refused to negotiate a lower rate and there is no other acceptable provider willing to work for the presumptive rate, applications should be made to the presiding judicial officer for the higher rate with a detailed explanation of the steps taken to procure the lower rate as justification for the rate requested.

As with all presumptive rates, there may be instances where a particular individual possesses a special skill or expertise that warrants a higher rate. In such instances, application should be made to the presiding judicial officer with an explanation as to why the rate requested is justified and reasonable.

‡ Applications should be addressed to the Second Circuit Case-Budgeting Attorney
